Today's Program

Doug Thomas will be speaking about the "Strategy of War".

Last Week's Program

Collin Williams and Michelle Liebke with Mountain View Solar and Wind introduced us to the wonderful world of renewable energy - primarily through solar panels.

Did you know that if we could harness the sun's solar radiation for one hour, it would produce one year of power for the entire world? Of course, there's no way to do that, but solar power is capable of providing a significant portion of the world's energy needs, if we would simply take advantage of it. For those ready to take the leap, there is a 30% federal tax credit awaiting your IRS Form 1040! Other advantages include the fact that you can watch your electric meter run backwards while you are out catching rays on a nice, sunny day. A very good and informative talk.

New Member!

Last week we welcomed Sharon Farenholtz to the fold. Sharon's sponsors are Dan Martin and Phil Griffin, Jr. Please take a moment to welcome Sharon and get her signed up for some committees!

WE NEED YOU!

Mark your calendars now for the 37th year of the Rotary Arts and Crafts Festival, to be held on Saturday and Sunday, September 17-18. **This event is considered all hands on deck.** Every club member should help out in some way -- **WE NEED PEOPLE TO WORK**

AT THE PARKING, GATE AREAS and the APPLE THEME BOOTH -- contact Bill Hottel at 662-1683 or sign up on the sheets being passed around at the meetings.

This year features two car shows, a chili cook-off and the 2nd Annual White House Apple Pie Eating Contest.

An estimated 6,000 people attend this event with over 100 vendors. Last year, we raised over \$20,000 for local charities.

Health Report

Just as we were all eating our weekly carbo-load, Libba Pendleton reminded those of us who are over 50 (the vast majority of us) who have waste lines over 40 inches for men, and 35 inches for women (the vast majority of us) are at greater risk for heart disease, cancer and respiratory disease. Thanks, Libba, and pass the chocolate cream pie!

Golf Tournament!

This year's tournament will benefit the Shenandoah Area Agency on Aging. The tournament is on Monday, October 3 at the Winchester Country Club. Sponsors and 4-somes are needed! Contact Erik Beatley, Don Louque, or any Golf Committee member for more info.
