### Polio Fundraiser - July 21st starting at 8:00 pm

At the *Shenandoah Valley Music Festival* in Orkney Springs. This is similar to last year's performance of the Beatles music and this year will be **Pink Floyd** music with the band in front of the Piedmont Orchestra.

To purchase tickets, make out a check for \$55.00 per person to Winchester Rotary and give to treasurer, John Elrick, **TODAY**. Kathy Kanter will have your tickets at the gate. Details and directions: <http://musicfest.org/>  
**Rides may be available on the Westminster Canterbury bus.**

This is a joint Area 1, 2, and 3 effort. We will tally the list of club members attending, for example if we have 20 members attending they will receive credit for \$19x20 as a donation to polio. This \$19 will be matched 2 to 1 so it becomes a \$58 donation. We will have tents, so anyone can bring food or drinks to share. **These are reserved pavilion seat tickets....BUT**, you can bring chairs and stay on the lawn if you like.

### SPECIAL AWARD

### OUR LAST PROGRAM

**Paul Magness**, in his new role as president of the Rotary Club of Winchester, described how it is an honor to serve. Together with his wife, Molly, Paul moved to Winchester 10 years ago and they now enjoy the lively company of their 3 children.

Paul's father exemplified the values of "Duty, Honor, and Country." Their family's military service dates back to the Revolutionary War and extends to the war in Afghanistan with some family members awarded Purple Hearts. His father, although injured in Vietnam, helped to raise his youngest son and sought to serve family, the poor, and those less fortunate. His father helped to create a school for environmental studies at West Point.

Like his father, Paul believes in this country and in its diversity. He has assisted in the rebuilding of the Rescue Mission and accompanied a mission trip to Haiti. A military friend of his father's, Dick Kent, introduced Paul to Rotary. Paul believes in God, the force of love, and the power of giving. Paul's upcoming goals are manifold. He wishes to honor the service of military veterans who have exemplified "service above self." He would like to build on the foundational efforts of Julia Connell, Scott Arthur and Don Butler to address the opioid epidemic. A 2018-2019 District Collaborative Grant of \$24,000 will help to establish a 12 person Ray of Hope House for those suffering with substance abuse. In addition, the fight to eradicate polio will continue and a new effort to confront Alzheimer's Disease, the 6th largest cause of death in the U.S., will be added to our efforts. Projects concerning youth are likewise forthcoming.

Winchester is the model community; like the Centennial Light in CA, which has shone for 117 years, Rotary's efforts are still burning while giving back. Paul is grateful to the past presidents, current officers, incoming Board members and his wife. He looks forward to a fantastic year ahead and challenges us to "*Be the Inspiration.*"

### Puerto Rico Mission Trip

Club Rotarians and guests are invited to participate in a mission trip to provide manual labor in Puerto Rico for 5-7 days in the near future. See Paul Magness if you are interested in participating.

Heterochromia Day - marks the condition wherein humans and other animals have multi-colored skin, hair, and/or eyes. In the iris, it can be an inherited trait, or symptomatic of trauma, glaucoma, or cancer. Nonetheless, think of the Beatles' Girl with Kaleidoscope Eyes!
