OUR PROGRAM LAST WEEK

Tom Stamulis spoke to the club about **identity theft and cyber security**. Tom served for 20 years in Army counterintelligence. Tom started his cybersecurity business True North Group here in Winchester in 2019.

Tom stated that the public has largely become numb to identity theft and on-line fraud and needs to learn to protect themselves and their P.I.I. or Personal Individual Information. Tom said True North Group will help act as chief data defender.

Tom said that the U.S. averages \$10 billion in consumer fraud losses each year and currently Virginia ranks 22nd in number of cases. Tom said that in addition to the thousands of dollars that identify theft costs the

victim, it also takes an average of 170 hours of the victim's time to restore their identity.

Tom offered tips to protect yourself:

1. Never give out PII over the phone.
2. Change passwords & store them in a password vault.
3. Review your credit report annually.
4. Update your operating system software.
5. Install anti-virus software.
6. Don't use PII when you are on an open WiFi.
7. Perform a privacy assessment on your social media.

RUMMAGE SALE - NEW DATE

The Rummage Sale Committee decided to **POSTPONE THE RUMMAGE SALE UNTIL OCT. 19TH**. It was determined that there wasn't enough time to adequately organize the sale or enough manpower available to pull the sale off.

Hopefully, members will be able to help out in October. **Put the new date on your calendar now - OCTOBER 19TH!**

>> RUMMAGE SALE COMMITTEE MEETING

At 11 am before our regular Club meeting on **AUG 22nd** to discuss logistics of the upcoming sale Oct. 19th at the Ruritan grounds. New members are strongly encouraged to come check out this fun and highly social event.

ANNOUNCEMENTS

>>The Board has selected **Opportunity Scholars**, as recommended by the committee, as the beneficiary for our Rotary Golf event.

NEIGHBORHOOD NIGHTS

Our club is a co-sponsor for the **September 12th Neighborhood Nights** event at Whittier Park. **Neighborhood Nights** is the City of Winchester's effort to bring "City Hall to the Community". We will be grilling hotdogs and handing out information about our Club. There will also be a taco truck, games, and at dusk a movie will be shown." For questions or to help out, contact **Kit Redmer** at 720-289-1830 or kitredmer@hotmail.com. He needs about 4-6 people to make this happen.

HEALTH TIP

Libba encouraged club members to get some exercise and support a good cause by joining **CCAP's 4th Annual Bike Tour**. The family ride will be at the MSV but also 30, 50, 70 and 100 mile routes are available for those ready to test their endurance. The event will take place **August 24th**.

Libba also reminded club members to protect themselves from the sun during these dog days of summer.

Libba let us know that August 8th was both sneak a zucchini on your neighbors' porch day as well as dollar bill day.

ROTARY BANNER DONATION

President John displayed a Rotary banner that was donated to the club by Doc Madigan's family.

ROTARY DAY AT CAMP FANTASTIC

More than a dozen club members traveled to the northern Virginia 4-H Educational Center last Thursday to serve dinner at camp fantastic, the one week adventure for children with cancer that the late Tom Baker and his wife, Sheila, founded it in 1983.

A little rainy weather didn't dampen the enthusiasm of the 47 campers in attendance, and the delicious chicken barbecue did a lot to help them forget about the weather - though Hurricane Debbie provided a big reminder later that night. Many thanks to all the members who joined the fun, especially Chris Lewis for leading the charge.
